

ACCL International - United Arab Emirates - 1st January 2012

ACCL International is proud to announce the launch of its new offices in Dubai. The company has been active in the Dubai business arena since 2005, however has only recently purchased and opened new offices in the prestigious Reef Tower; located in Jumeirah Lake Towers, in the DMCC; directly opposite the famous Dubai Marina Mall. The primary role of the office; will be to support all our international operations from a procurement, logistical and financial perspective; in addition, the office will look after the General Trading wing of the company, including, but not limited to, the trading of Food Stuffs and Steel Products.
